

ELA.5.C.3.1

Shift Tenses

Recognize and correct
inappropriate shifts in tense

Lesson Objectives

After going through this lesson, you are expected to:

- a. Recognize errors in singular and plural agreement
- b. Identify inappropriate shifts in verb tense within sentences and paragraphs.
- c. Revise sentences to correct tense

What is a shift in tense?

Verb tense tells when something happens.

- Past
- Present
- Future

An inappropriate shift = changing tense without reason.

Common Verb Tenses

Tense	Examples
Past	She walked.
Present	She walks.
Future	She will walk.

Incorrect Shift Tenses

EXAMPLES:

When I was younger, I love playing outside.

He finishes his homework and then went to bed.

She studied all night and feels exhausted in the morning.

She runs every morning and ate a healthy breakfast.

He plays the guitar and sang at the concert.

Corrected Shift Tenses

EXAMPLES:

When I was younger, I loved playing outside.

He finishes his homework and then goes to bed.

She studied all night and felt exhausted in the morning.

She runs every morning and eats a healthy breakfast.

He plays the guitar and sings at the concert.

When are shift tenses appropriate?

- Moving between past and present intentionally
- Writing literary analysis (often present tense)
- Showing sequence of events

Activity

Correcting Shift Tenses

Exercis

Directions: Read the essay and recognize the incorrect shift of tenses. Correct the incorrect tense shifts.

Yesterday I wake up late for school. I rushed to get ready and grab my backpack. As I am running to the bus stop, I tripped over my shoelace and fell. Everyone laughs at me, and I felt embarrassed. After I get on the bus, I sit quietly and hopes no one remembers what happened.

Answer

Yesterday I woke up late for school. I rushed to get ready and grabbed my backpack. As I was running to the bus stop, I tripped over my shoelace and fell. Everyone laughed at me, and I felt embarrassed. After I got on the bus, I sat quietly and hoped no one remembered what happened.

Directions: Read the essay and recognize the incorrect shift of tenses. Correct the incorrect tense shifts.

The water cycle is an important process in nature. It begins when water evaporated from lakes and oceans. The vapor rises into the sky and forms clouds. When the clouds became heavy, they release rain. This process was happening continuously around the world.

Answer

The water cycle is an important process in nature. It begins when water **evaporates** from lakes and oceans. The vapor rises into the sky and forms clouds. When the clouds **become** heavy, they release rain. This process **happens** continuously around the world.
